Be a Bridge...

Become a Corporate Partner

Mission

Our mission is to empower individuals to build a sustainable lifestyle through workforce programs, safe housing, and community connection.

Vision

Our vision is a community that will advocate and support individuals impacted by the educational and reentry systems to believe they can build the ecosystem of success and not be left alone.

Become our Partner

Partnering with *Get On Your Feet DBA Fortified Academy* gives your company the opportunity to partner with the first African-American Female owned US DOL CDL Registered Pre-Apprentice and Apprentice Programs. Your financial support helps create a path towards economic stability for individuals in reentry and students who desire a vocational career plan. Our partners recognize the value of supporting Get On Your Feet because of the long term benefits it offers our communities as well as individuals and their families. Through our focus on workforce development in the trucking industry, Fortified Academy prepares our apprentices with the skills, mindset, and confidence needed to be valuable and successful employees.

Corporate Partners of Get On Your Feet benefit with an enhanced corporate image through positive publicity and brand perception by supporting individuals in need and impacting our communities. Supporting apprentice programs that have measured social impact helps corporations take up the mantle of social responsibility that aligns with their corporate goals.

Through the visibility of your corporate branding on our website, various programs, marketing materials, and social media will show your company's commitment to removing the financial barriers to gain access to skilled training for reentry individuals and youths.

Our Pillars of Impact

Workforce Programs

Provide career opportunities through skill training and our apprenticeship programs to increase the skill level of our participants, helping the local workforce and community.

www.FortifiedAcademy.org

Safe Living Homes

Provide housing that is affordable and will not jeopardize the health, safety, or welfare of our participants and provides the essentials for re-establishment.

LivingFit

A holistic approach and strategies to rebuild their lives by having a healthy life balance through exercise, mental health, and spiritual growth.

Community Resource Connection

Collaborate with community partners and employers who align with our overall goals to provide support services and employment to facilitate the removal of barriers for our participants on their growth journey.

Get On Your Feet DBA Fortified Academy is recognized as a tax-exempt organization under section 501(c)(3) of the Internal Revenue Code. Contributions to Get On Your Feet DBA Fortified Academy are tax-deductible to the extent permitted by law. Our EIN (Employee Identification Number) is 82-5490080.

A receipt will be provided for your tax-deductible donation.

Our Journey

Get on Your Feet began in 2019 with our passion and mission to help individuals get on their feet through mentorship and the training to earn prevailing wages through a CDL career. Our focus was on individuals coming out of incarceration and rescued from human trafficking. We also incorporated preventive efforts, reaching out to the teenage population with mentorships and character development to break the cycle of incarceration. When the pandemic hit, like many organizations, those efforts came to a screeching halt.

Fast-forward years later, our family-owned trucking company began hiring drivers coming out of CDL school. We found there to be a gap in the information being taught and the necessary skills to safely do the job. We found the only way to fill this gap is to have hands-on experience behind the wheel – much of the mentorship and programming we had started before the pandemic.

Using our knowledge and experience in the trucking industry, we created Fortified Academy, with our US DOL Registered Pre-Apprentice and Apprentice program for CDL drivers.

Our workforce programs have already impacted over 20 families. We are projecting to impact over 100 families by Q2 of 2025 through our workforce programs.

With our workforce programs and mentorship moving forward, we are excited to build out the rest of our Get On Your Feet vision. We are projecting to impact 32 families through supplying safe housing by Q4 of 2024 and continue the Community Resource Connection to support individuals to grow and achieve their goals. This work ultimately results in a stronger family, which builds a stronger community.

Thank You for your Partnership!
